HOW TO OPEN A BANK ACCOUNT WITH US

As part of our digital application process you can now apply for a Seafarer Account without the need to post any documents to us. This is a quicker and more efficient way of applying.

Digital Journey

When you complete your application online, you can use digital signature and ID verification. To complete this process, you will receive information requests from Risk Screen and ID-PAL.

Risk Screen

You will be asked to upload a PDF copy of your signed seafarer employment agreement (only pages with personal information and signatures are needed), certified by your yacht Captain or First Officer with the words 'Certified as a true copy'. The yacht Captain/First Officer should sign and date it along with the boat stamp.

ID-Pal

You will be asked to upload the following:

- A copy of your passport.
- A completed Captain's letter - a template is available.
- A copy of the Certificate of Competency (CoC) or the Seaman's book belonging to the Captain (or First Officer) who provides the Captain's letter.

If you are unable to complete the full digital journey, you can also apply using scanned documents and a video call with a representative of the Bank. Alternatively, we can still accept a postal application along with original fully certified supporting documents. You will be asked to supply the following:

Via Scanned Docs and Video Call

- A scanned copy of the signed 'Agreement' that you should print before submitting the application.
- A scanned copy of your passport (not certified).
- A scanned copy of your seafarer employment agreement (not certified).
- A completed Captain's letter - a template is available.
- A copy of the CoC or the Seaman's book belonging to the Captain (or First Officer) who provided the Captain's letter.

Via Post

- A fully completed application form or the signed Agreement if the application was completed online.
- A certified copy of your passport prepared by your Captain or First Officer with the words "certified as a true copy and the photograph bears a true likeness". They must then sign, date and affix the yacht stamp. Make sure you have signed your passport. If your signature on the Agreement has changed over time, simply sign the copy passport with your current signature.
- A certified copy of your seafarer employment agreement with the words "true copy" and certified as above by the Captain or First Officer.
- A completed Captain's letter - a template is available.
- A copy of the CoC or Seaman's book belonging to the Captain (or First Officer) who provided the Captain's letter.
