

Single User with SBG Mobile

Standard Bank Moving Forward[™]

STEP ONE

Sign in using the email address and password clients use to sign in to the mobile app.

Forgotten their password? Click "Reset password" and follow the instructions. To self serve they'll need to know Internet Client Number, Memorable Date and Password; and be able to access emails sent to the address they sign in with. (There is the option to follow the old style password/mem date reset process if necessary).

	Ne If you jointly manage grou	ew Simplified Sign-in up or corporate accounts, select th	ne <u>group user</u> tab
