- The gross rate is the contractual interest rate payable without the deduction of any tax.
- Annual Equivalent Rate (AER) illustrates what the interest would be if paid and compounded annually.
- You must not cause your account to become overdrawn. Debit interest on unauthorised overdrafts will be charged at Market Rate +10%. Market rate means the Bank of England base rate or the relevant equivalent reference rate as applicable to the currency of the account and as selected by the Bank in its sole discretion. If the Market Rate is negative, the Market Rate shall be set at 0%.
- Where a negative interest rate is displayed, the bank will apply this as a charge which will be deducted from the account balance instead of credited to it.
